

EMPLOYEE SUCCESS STORY

Tanika Buggs
Sr. Staff Accountant

Tanika Buggs joined Quantic Wenzel as a Senior Staff Accountant in March 2020. Tanika plays a critical role in maintaining the company's financial integrity by managing accounting operations. During her tenure and with guidance of Kevin Golliher, Vice-President of Finance, Tanika has been able to explore new disciplines within accounting, enhancing her skills and advancing her career to new heights. Tanika is a proud alumna of Friends University in Wichita, Kansas as well as the University's chapter of the Sigma Gamma Rho Sorority. Outside of work, she is an officer in the National Black MBA Association's Austin chapter, an organization whose goals are to lead in the creation of educational, wealth building, and growth opportunities for those historically underrepresented throughout their careers as students, entrepreneurs, and professionals. Tanika's personal and professional journey exemplifies values of selflessness, relentless pursuit of excellence, and visionary thinking. We are proud to feature her.

“

Contributing to the growth and success of others is just as important as our own professional achievements. It's through community involvement and mentorship that we can all make a positive impact, helping others reach their full potential is so rewarding!
